

Carrbridge Capercaillie Group
Meeting notes: 12 March 2020

1. The session was attended by Chris York, from Walking the Talk to discuss monitoring and evaluation related to the Carrbridge Capercaillie Conservation Strategy.
2. Chris presented to the group and a discussion followed regards the ways in which success could be measured once the strategy had been developed in more detail following the community consultation.
3. The group also discussed Tom (the Community Ranger's) work ahead of lek season.
