

Carrbridge Capercaillie Group
Meeting notes: 14 Jan 2020

1. The group began to develop an outline for the Carrbridge Capercaillie Conservation Strategy, based on the notes and framework produced through the workshops facilitated by Alistair Bath.
2. The group agreed a structure for the strategy and began to draft the Executive Summary.
3. The meeting focused entirely thereafter on writing a first draft of the Executive Summary.
4. The group agreed to meet again on 23 January to begin work on the Background section of the strategy.
