

## **Carrbridge Capercaillie Group**

Meeting notes: 22 September 2020

1. The group focused on developing a first draft of the Carrbridge Capercaillie Conservation Strategy - Action Plan for Winter to Spring 2021.
2. The group agreed the three Key Actions to include in the Action Plan based on current Covid-19 restrictions, the brood survey results from Kinveachy Forest and the community consultation results.
3. The group agreed to meet again on 14 Oct to review the applications for the Community Ranger post and plan the interview questions.
